

In the Claims:

Please amend claim 15 and 16 to read as follows:

15. (Amended) The method of claim 14, further comprising creating a multidimensional model from the digital format of the image and transmitting the model to a client for modification.

16. (Amended) The method of claim 14 wherein manufacturing the biomedical device in accordance with the radiological image includes selecting a best fit from a plurality of already manufactured medical devices.

REMARKS

Claims 15 and 16 have been amended. Claims 1-16 are now pending in the application. Entry of this Preliminary Amendment and an early examination of the application is earnestly solicited.

Respectfully submitted,

Thomas J. Bradbury et al.
